

Serial No. 10/786,280 Page 2

REMARKS

Claims 1-30 are in the application.

Applicants responded to a previous requirement of election of species on May 7, 2007, but the Examiner requires indication of a single set of claims (not four sets of claims) readable on all elected species.

In compliance therewith, the following claims are readable on all the elected species: Claims 1-4, 6, 7, 11-14, 18-25, and 29-30.

As the Examiner acknowledges, claim 1 is generic.

Applicants understand that upon allowance of a generic claim, then Applicants will be entitled to consideration of claims to additional species which depend from or otherwise require all the limitations of an allowable generic claim.

The application is considered to be in condition for allowance. The Examiner is respectfully requested to take such action. If the Examiner has any questions, he is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
AHMAD (NMI) WALEH ET AL
